

# BECOMING AN ENTERGY SUPPLIER

1 Review the [Supplier Code of Conduct](#) & [Supplier Onboarding Process](#)

2 Register as a Prospective Supplier in [Power Advocate](#)

- Acknowledge the Entergy [Supplier Code of Conduct](#)
- This will make your company eligible to be selected to participate in sourcing events
- You can supply information about your company's offerings and qualifications
- Get step-by-step assistance with supplier registration: [Power Advocate Supplier Registration Guide](#)
- Use this form to self-certify ownership status in certain Diverse categories: [Diversity Self-Certification Form](#)

3 Participate in Sourcing Events in [Power Advocate](#)

- Sourcing Event participation may require validation of supplier qualifications:
  - Diversity Certifications
  - Safety Performance
  - Credit Risk
  - Length of years in business
  - Other attributes as required

4 Maintain your company information

- Active Entergy Suppliers must maintain their company information with Entergy
