

THE NEW ORLEANS COUNCIL ON AGING

The New Orleans Council on Aging is a private, non-profit corporation which serves as the Area Agency on Aging for Orleans Parish. The agency is responsible for insuring that a comprehensive and coordinated assortment of social, recreational, educational and nutritional services are provided to persons aged 60 and over in the City of New Orleans.

The Power to Care customer assistance program provides aid to eligible low-income, elderly, or disabled clients to assist with energy bills in times of financial distress. Funding for this program is possible through donations from utility customers, Entergy New Orleans and the United Way Emergency Food and Shelter Program. The Power to Care program doubles the impact of new pledges and one-time donations through matching Entergy contributions annually.
