These inspectors are not employed by Entergy Arkansas, Inc. in any way to perform work for lakefront property owners, and the Company does not certify the competencies of any inspectors listed for this related work. The order of the list is random and does not indicate any sort of preference. The Company has no restrictions upon who performs shoreline inspections, as long as they are an Arkansas Home Inspectors Board certified inspector and fulfill all requirements as noted in the Standards of Practice for shoreline inspection available on our website www.Entergy.com/hydro. Inspection reports not meeting these standards may be rejected. Names may be added and removed from the list at any time, without prior notification to the applicant or the inspectors. You can look up the status of any inspector's license by contacting the Arkansas Home Inspectors Registration Board. Published 1/08/2024.
