MARINATED SHRIMP

Use 1 1/2 quart Pyrex dish. Melt 1 stick of butter in dish and add the following, stirring quite often:

- 1/3 cup Worcestershire sauce
- 1 teaspoon salt
- 1 teaspoon black pepper
- 2 teaspoons garlic puree
- 2 teaspoons rosemary
- 1 teaspoon thyme
- 1/2 teaspoon celery salt
- 1 teaspoon olive oil

Cook slowly 10 to 15 minutes (taste for pepper seasoning and add if desired) but do not bring to a rapid boil. Allow to cool slightly, then add 50 to 60 headless shrimp, medium sized (wash shrimp after deheading). In order for seasoning to take effect, do not cook for at least 2 to 3 hours, or refrigerate overnight. (If cooked immediately they are very tasty but not as seasoned as when allowed to marinate for 2 to 3 hours or even better overnight.) When ready to cook, preheat oven at 400° F. and when oven is hot, place them in the oven for approximately 18 to 20 minutes, stirring several times. Cooking time depends on size of shrimp. After 12 minutes remove several and taste. Allow to cook further if necessary, but prevent overcooking as the shrimp are hard to peel if overcooked.

OYSTERS BIENVILLE

1 bunch green onions, chopped fine
3 tablespoons flour
1/8 teaspoon paprika
3 ounces white wine (dry sauterne or sherry)
Salt, black pepper and hot pepper sauce to taste
1 teaspoon oregano
1 pint chicken or fish bouillon or broth
1/4 cup Cheddar cheese
1/2 cup evaporated milk
1/2 lb. shrimp, chopped fine

This recipe, used as a casserole dish, will serve for 4 to 6 persons. It can also be used as a sauce to cover approximately 4 dozen oysters on the half-shell.

Sauce:
Mix shrimp, mushrooms and 1 1/2 ounces wine together. Set aside. Brown onions in butter; add flour and stir over a low flame until mixture is a light brown. Add chicken or fish bouillon or broth, which has been heated, slowly - stirring all the while. Add shrimp, mushrooms and wine mixture until sauce is smooth and begins to thicken. Set aside to cool slightly. Beat egg yolk well, but not too long, with 1 1/2 ounces wine and the evaporated milk. Slowly pour the warm sauce into this egg-wine-milk mixture, stirring constantly so it will stay smooth and not curdle. Add liquor from pre-baked oyster shells and season to taste. Replace the whole mixture on the fire and cook over low heat for 10 to 15 minutes until thick, stirring constantly to prevent lumping or scorching. If too thin, add flour or cornstarch to thicken. Pour into four separate casseroles or ramekins and place 10 to 12 oysters in the middle of the mixture; cover with more of the sauce. Sprinkle well with Cheddar cheese, place in 400°F oven and bake until golden brown. CAUTION: Make sure oysters are placed between layers of sauce, as they will get extremely hard if they are cooked on the bottom.
