Creating sustainable value for Mississippi through philanthropy and volunteerism

Giving back to our communities through philanthropy, volunteerism and advocacy are integral to our corporate mission.

We invest in solutions that attack the root causes of poverty, support education and workforce development, and protect and preserve the environment. And, to ensure our efforts will achieve a better and more sustainable future, we align our CSR initiatives to the United Nations Sustainability Goals.

Our shareholders contribute \$16 - \$18 million annually to strengthen the communities we serve. In 2023, they contributed \$3.8 million to non-profit partners in Mississippi.

Making a difference in Mississippi communities

Volunteering is one of the most important ways Entergy employees power life in our communities. In 2023, employees in Mississippi dedicated more than 18,700 hours of volunteer service valued at \$598,000.

Activities included:

- Packaging and distributing meals in partnership with Extra Table.
- Helping children explore and learn through programs at the Mississippi Children’s Museum and the Mississippi Museum of Natural Science.
- Partnering with Goodwill Industries to help families recover from the tornadoes that struck Rolling Fork, Mississippi.

Stepping up to help with customers

Higher than usual temperatures last summer drove record energy use and produced higher electric bills. To help ease the burden, Entergy Mississippi extended its Operation Bill Assist campaign, committing an additional \$1.5 million in resources to help customers. The campaign included \$1 million in free energy efficiency kits, more than \$520,000 in emergency bill assistance for older adults and customers with disabilities through The Power to Care, and giving back through 100 community events in honor the company's 100th anniversary. The company also launched a child savings program, provided free legal assistance and donated to non profits to help reduce food insecurity, improve education and address social justice issues.

Our commitment to Mississippi runs deep. For more than a hundred years, we have been caring for our customers and the communities we serve while delivering reliable, affordable power. The communities we serve are also the communities we call home and our customers are also our neighbors.

Giving back to our communities, volunteering to lend a hand to partner organizations that help serve neighbors in need, preparing the workforce of the future and doing our part to ensure the environment is healthy are a few of the ways in which we demonstrate our ongoing commitment to building a brighter future for Mississippi.

Thank you,
Haley Fisackerly
President and CEO, Entergy Mississippi

Corporate Social Responsibility

At Entergy, we are committed to contributing to a society that is healthy, educated and productive. Where the environment poses no threat to future generations and none of our customers live in poverty. We are committed to creating sustainable value for all of our stakeholders because we are only as strong as the communities we serve.

The Power of 100: Entergy Mississippi donates \$100K to Extra Table

Entergy Mississippi teamed with Extra Table to help eliminate hunger in the state as part of a year-long effort to mark its 100th anniversary by investing in poverty solutions and activating the power of employee volunteers to support Mississippi communities. Entergy volunteers packed 2,500 meals in the first event of a multi-phase 100,000-meal commitment. The company also donated \$100,000, funded by shareholders, to help Extra Table stock 62 food pantries in the state with nutritious, shelf stable food.

Entergy Mississippi helps preserve, advance the Evers' legacy

Entergy Mississippi was proud to partner with the Trust for Public Land and the National Park Service to preserve the **legacy of Medgar and Myrlie Evers** and honor their contribution to our nation's continued progress toward racial justice and equity. Our \$100,000 contribution was made possible through Entergy's Social Justice and Equity Fund that advances social justice and equity for historically underserved communities across Entergy's service territory.

Entergy Mississippi supports arts, education and economic development with two major gifts

Entergy Mississippi is helping fund the renovations at Mississippi College in Clinton and providing another contribution to the Foundation for Mississippi History to support a new initiative by the Mississippi Department of Archives and History to transform the **Historic Jefferson College** campus in Washington, Mississippi. Learn how the donations, totaling \$500,000, will support arts, education, historic preservation and economic development and have a tremendous impact on communities within our service territory.

Entergy Mississippi awards grants to nearly 100 nonprofits

For 100 years, Entergy Mississippi has demonstrated a commitment to the families and communities it serves by contributing to nonprofits and supporting their work. In the first half of 2023 alone, Entergy Mississippi provided more than \$600,000 in shareholder contributions to organizations across its service area. Learn how the company works with community partners to make a difference through education and workforce development, poverty solutions and environmental programs.

Entergy launches child savings account program at the Children's Foundation of Mississippi Summit

Entergy Mississippi is helping families pave the way for children to pursue a college degree through a new child savings account program. Learn how Kids to College, powered by Entergy, in partnership with the Children's Foundation of Mississippi, provided \$60,000 to help low- and moderate-income Mississippi families establish 1,200 child savings accounts.

Entergy Mississippi provides free legal assistance to Rolling Fork tornado survivors

Survivors of the tornadoes that devastated the Mississippi Delta in March received free legal help from Entergy employees. Trained employee volunteers helped homeowners and renters in Carroll, Humphreys and Sharkey counties file Federal Emergency Management Agency appeals.
