

In 2021, Entergy awarded \$18 million in grants to our non-profit partners and community organizations

| | |
|---------------------------------------|-----|
| Education/Workforce Development: | 35% |
| Poverty Solutions/Social Services: | 30% |
| Community Improvement and Enrichment: | 14% |
| Healthy Families: | 7% |
| Disaster Relief/Recovery: | 5% |
| Environmental: | 5% |
| Arts & Culture: | 4% |

Entergy creates sustainable value through philanthropy and volunteerism

Giving back to our communities through philanthropy, volunteerism and advocacy are integral to our corporate mission.

We invest in solutions that attack the root causes of poverty, support education and workforce development, and protect and preserve the environment. And, to ensure our efforts will help achieve a better and more sustainable future, we align our CSR initiatives to the United Nations Sustainability Goals.

Our shareholders contribute \$16-\$18 million annually to strengthen the communities we serve. In 2021, they contributed \$18 million to nonprofit partners across our service territory.

Employee volunteers make a difference

Volunteering is one of the most important ways Entergy employees power life in our communities.

In 2021, our employees engaged in more than 100,000 hours of volunteer service valued at \$3.3 million. Approximately 1,800 of the total hours were dedicated to pro bono efforts, resulting in \$477,000 of in-kind legal services.

Activities included:

- Disaster relief operations.
- Free tax preparation to help qualifying customers claim federal Earned Income Tax Credits.
- Sorting, packaging and distributing food at food banks.

Powering COVID-19 relief in our communities

Entergy shareholders contributed more than \$2 million and employees logged more than 4,000 hours of volunteer service hours to help non-profit partners provide disaster relief and assistance with rebuilding and recovery after Hurricane Ida. In partnership with organizations such as the Red Cross, Nola Tree Project, SBP, the Louisiana Hospitality Foundation and more, we helped provide more than 1.7 million hot meals for those in need, more than 44,000 nights of shelter for impacted families, tarp for customers' homes and more. Shareholders also awarded \$500,000 to the Louisiana Hispanic Chamber of Commerce, the Urban League and others to provide grants to minority small business owners impacted by Hurricane Ida.

Message from Patty Riddlebarger

Our vision at Entergy is We Power Life. Among the most important ways that we do that is through our partnerships with community organizations, philanthropy and the volunteerism of our employees.

We live and work in the communities we serve. Our customers are our family members, our friends and our neighbors. Building strong, healthy, vibrant and growing communities is critically important, because we can only be as strong as the communities we serve. That is what sustainability is all about.

Thank you,
Patty Riddlebarger
Vice President, Corporate Social Responsibility
