### Creating sustainable value for New Orleans through philanthropy and volunteerism

Giving back to our communities through philanthropy, volunteerism and advocacy are integral to our corporate mission.

We invest in solutions that attack the root causes of poverty, support education and workforce development, and protect and preserve the environment. And, to ensure our efforts will help achieve a better and more sustainable future, we align our CSR initiatives to the United Nations Sustainability Goals.

Our shareholders contribute \$16-\$18 million annually to strengthen the communities we serve. In 2021, they contributed more than \$4 million to non-profit partners in New Orleans.

### Making a difference in New Orleans communities

Volunteering is one of the most important ways Entergy employees power life in our communities.

In 2021, employees in New Orleans dedicated more than 20,226 hours of volunteer service valued at approximately \$577,250.

Activities included:

- Planting and distributing trees with Nola Tree Project.
- Sorting, packaging and distributing food at Second Harvest Food Bank.
- Disaster relief operations with HandsOn New Orleans.

### Powering disaster relief in New Orleans communities

Entergy shareholders committed more than \$2 million and employees logged more than 4,000 hours of volunteer service hours to help non-profit partners provide disaster relief and assistance with rebuilding and recovery after Hurricane Ida. In partnership with organizations such as the Red Cross, Nola Tree Project, SBP, the Louisiana Hospitality Foundation and more, we helped provide more than 1.7 million hot meals for those in need, more than 44,000 nights of shelter for impacted families, tarp for customers' homes and more. Shareholders also awarded \$500,000 to the Louisiana Hispanic Chamber of Commerce, the Urban League and others to provide grants to minority small business owners impacted by Hurricane Ida.
