Creating sustainable value for Texas through philanthropy and volunteerism

Giving back to our communities through philanthropy, volunteerism and advocacy is integral to our corporate mission.

We invest in solutions that attack the root causes of poverty, support education and workforce development, and protect and preserve the environment. And, to ensure our efforts will help achieve a better and more sustainable future, we align our CSR initiatives to the United Nations Sustainability Goals.

In 2021, our shareholders contributed approximately \$1.4 million to nonprofit partners in Texas.

Making a difference in Texas communities

Volunteering is one of the most important ways Entergy employees power life in our communities.

In 2021, employees in Texas dedicated more than 14,300 hours of volunteer service hours valued at approximately \$410,200.

Recent activities included:

- Packaging and distributing food at Southeast Texas Food Bank and Montgomery County Food Bank.
- Supporting homebound senior citizens with Meals On Wheels Montgomery County.
- Free tax preparation to help qualifying customers claim federal Earned Income Tax Credits.

Powering disaster relief in Texas communities

Entergy Texas committed \$650,000 to help community nonprofits and qualifying customers who were struggling with the financial impact of Winter Storm Uri. These grants went directly to local nonprofits that assisted low-income customers with emergency needs following the storm, including the Montgomery County Food Bank, Brazos Valley Food Bank, Southeast Texas Food Bank, and SBP USA. Additional funding also was provided to The Power to Care to help Entergy Texas customers who are low-income older adults and people with disabilities.

For Entergy Texas, our mission to our customers and communities extends beyond just reliably serving customers.

We believe we have a moral obligation and a business imperative to help find lasting solutions for our customers in need.

We are unwavering in our mission to help communities grow and create opportunity for citizens across our region.

Thank you,

Eli Viamontes

President and CEO, Entergy Texas
